

United Nations Global Compact (UNGC)

Our **UNGC Commitment Letter** is available on our website. The scope of this Impact Report recognizes the Ten Principles of the UNGC as material aspects of our performance and provides our Communication on Progress (COP) with respect to each principle, as shown in the contents index on the following page. In the table on the following page, we have also mapped the UNGC Ten Principles to the RBA Code of Conduct, to show how the two management frameworks are aligned. Our Communication on Progress (COP) with respect to each principle can be found on the UNGC website [here](#).
